ROVING LET'S TALK CATS AMBASSADOR POSSE

ANY QUESTIONS? TALK TO THE ROVING LET'S TALK CATS AMBASSADOR POSSE

Roaming Let's Talk Cats Ambassadors

Throughout the show, look for people wearing large RIBBONS on their shirts. They are our "**Ambassador Posse**"! They will be available to answer any questions or comments you may have. Feel free to stop and talk to them, as they are experienced, knowledgeable exhibitors. An "exhibitor" is a person who is at the event to show their cat in front of the judges.

If a roving ambassador has a cat in their arms, follow them! They are going to have their cat judged, and this is exciting to watch!

Thanks for coming to our show.

FAVORITE FELINE FURRY FOTOS (FFFF)

We have curated our most adorable cat photos submitted by our talented participants, and now it is your turn to be the judge! Take a moment to admire these beautiful felines and help us crown our winners.

How to Vote: Grab a pencil and paper, then use the provided ballot to select your 1st and 2nd place favorites. We will announce the winners and present prizes to the winning photographers near the end of today's event.

Put on your judge's cap and let us see which furry friend will take home the title of BEST IN SHOW!

SHOW & TELL FELINE STUFFIES-YOUTH ROUNDUP

Bring Your Special Stuffed Animal!

Do you have a favorite stuffed animal that you love? Bring it with you to our show! We cannot wait to meet your cuddly friend!

Ask your mom or dad if you can bring your special kitty, teddy bear, bunny, or any other stuffed animal you love. During the show, you will get a chance to tell everyone about your stuffed animal friend - just like show and tell at school! You can share your stuffed animal's name, why you love them, or any fun adventures you have had together. We are so excited to see all the wonderful stuffed animals and hear your stories!

Ribbon Awards will be handed out to all participants.

When: Sunday, September 21st at 9:30 in the morning

Where: The Education Center (it is in the same area where all the fun booths and vendors are!)
